FAST-PACED MALE HULA HOOP,

BENJAMIN FLAME

FAST-PACED MALE HULA HOOP,

European-based and internationally active, I specialize in male hula hoop performance that blends technical mastery with quiet intensity. Beginning in stillness and building to explosive speed, my act leaves a resonant impression.

Self-taught and later mentored by Alla Klyshta at Europa Park's Talent Academy, I have performed across Germany, the Netherlands, Belgium, Portugal, Italy, Spain, Switzerland, and on MSC Cruises' World Tour 2025. Stages include Traumzeit Varieté, Magical World of Circus, Remscheider Weihnachtscircus, and Festival du Cirque en Sarthe.

For me, performing is not only about skill—it's about authenticity. I aim to create moments where people forget themselves and breathe with me, transforming athletic movement into something emotional and alive. I live for the applause, the energy, the spark in the audience's eyes. On stage, there is no mask—only truth.

This act is the essence of years of dedication, condensed into minutes that may look effortless but carry all of me. It is not just a performance—it is my journey, my passion, my celebration.
